

Unanimously approved by the Board of Greenman Ministry January 17, 2010

Mission Statement of the Greenman Ministry

The mission of Greenman Ministry is to promote and implement Wiccan and related religious practices and education. Our primary emphasis is serving Wiccans within the prisons of Texas. To these ends, the Greenman Ministry conducts Wiccan religious services, teaches classes about Wicca, operates in cooperation with the Texas Department of Criminal Justice (TDCJ) chaplaincy, and makes Wiccan religious literature and items available to offenders and the general public.
